Keep Your Pet Healthy!

Just a dab
on the gums
kills odors
and freshens
breath

SIMPLY THE BEST!

All Natural Breath Freshener

Great Breath Immediately!

Kills Germs!

Real Vanilla Flavor!

Drug & Alcohol Free!

- Attacks bad breath three different ways:
Uses organically bound zinc to kill germs.
Parsley Seed Oil kills odors.
Natural Vanilla provides a delightful flavor and pleasant breath.
- Only a small dab on the gum line on each side is needed, so a tube lasts a long time.
- Contains L-Lysine, an essential amino acid which helps prevent viral infection.
- Used by groomers to provide a great finishing touch!
- Packaged 1/peggable blister card, twelve tubes to a display box, six display boxes to a master carton.
- Suggested Retail: \$6.99 per tube.
