

# Easy to Use & It Works!

 Triple-Pet®

## Plaque Off - Fresh Breath™

Just add a capful to your pet's water (each 24 ounce bowl) for fresher, healthier breath and to help remove plaque and tartar!

**Plaque Off - Fresh Breath (POB)** is a uniquely formulated aid to oral health for dogs, cats and other small mammals. Using a special blend of ingredients, **POB** helps to eliminate plaque and tartar build up as well as odor causing compounds in your pet's mouth and digestive system.

- Takes effect within 24 to 48 hours
- Great for cats as well as dogs.
- Uses Anthium Dioxide® for Tartar/Plaque Control by oxidizing and dissolving food films that cling to the teeth and build up on the gums.
- Uses Yuccarome and Mint Oils for Breath Control
- Both Anthium Dioxide® and Yuccarome work on the entire GI tract to reduce digestive odors.
- Yuccarome aids the micro flora system of the G.I. tract which results in better assimilation of nutrients.
- Veterinarian Recommended
- Made with human food grade ingredients.
- Sealed, tamper resistant bottle
- Use in combination with our other Triple-Pet™ products
- Made in Canada

- Two size bottles - 8 oz & 16 oz
  - 8oz bottle treats over 6 gallons of water
  - 16oz bottle treats nearly 13 gallons of water
- UPC 7-46248-20185-3 & 7-46248-20190-7

**A CLEAR, ODORLESS AND TASTELESS LIQUID THAT CONTAINS NO DYES, ALCOHOL OR SWEETENERS**
