Triple•Pet
FOR BETTER PET HYGIENE

All Natural Skin Cream

Relieves Itching - Stops Chewing!

Soothes Hot Spots!

Promotes Rapid Healing!

Kills Germs!

Drug & Alcohol Free!

- Encourages healthy skin through the use of organically bound zinc which kills germs, Aloe Vera soothes skin and L-Lysine, an essential amino acid, helps prevent viral infection.
- Only a small amount is needed, so a tube lasts a long time.
- Allows the return of natural hair growth without antibiotics or steroids.
- Used by pet owners, groomers and kennels to promote rapid healing of minor abrasions and ease itching which helps to stop chewing.
- Packaged 1/peggable blister card, twelve tubes to a display box, six display boxes to a master carton.
- Suggested Retail: \$6.99 per tube.
