We understand why you can never find him when it's time to brush.

With a single stroke, brushing is *easier, faster & better* for everyone.

With its triple flexing heads, our brush lets you clean all three surfaces of the tooth in one stroke while massaging the gums with soft bristles. The padded, easy to hold handle makes the process even easier. Our all-natural vanilla flavored toothpaste has a sugar-free, tartar control formula that promotes healthy gums and fresh breath.

Look for our All Natural Breath Freshener and Skin Cream, too.
